DC vs RCB IPL Match: Brace for Heavy Traffic Near Arun Jaitley Stadium on April 27

NCR

Delhi Traffic Police issued an advisory for the DC vs RCB IPL match at Arun Jaitley Stadium on April 27. Expect heavy traffic from 7–10:30 PM. Diversions, parking limits, and designated routes are in place. Avoid ITO and Connaught Place routes post 6 PM on April 27. Corporates stagger office exits. Commuters use Metro. Businesses near stadium expect delays; reschedule deliveries and client meetings accordingly.

Tightened Controls and Clashes Mark High-Risk Election Environment in Bengal

Kolkata

Authorities have imposed no-entry zones, one-way traffic systems, and movement restrictions across key Kolkata roads for polling and counting, alongside heightened security readiness ahead of Phase 2. Simultaneously, clashes between rival groups requiring police intervention highlight persistent ground-level tensions. The combination indicates a sensitive operating environment, likely leading to localized disruptions and restricted mobility, requiring route planning and close monitoring of advisories during the election period.

Frequent Power Cuts Signal Grid Stress Under Rising Demand in Chennai

Chennai

Chennai is witnessing frequent power outages and voltage fluctuations due to delayed maintenance works, rising summer power demand, and infrastructure strain, with incidents such as transformer faults and feeder tripping reported across multiple areas. With challenges continuing to rise, the situation may persist in the near term, potentially leading to recurring outages, equipment stress, and reliability issues, especially during peak hours. This calls for contingency measures such as backup power readiness, staggered usage, and operational flexibility to manage

India–New Zealand FTA to Boost Trade and Duty-Free Exports

India and New Zealand are set to sign a Free Trade Agreement on April 27, giving 100% duty-free access for Indian exports to New Zealand and expanding market opportunities for sectors such as textiles, engineering goods, pharmaceuticals, agriculture and MSMEs. The agreement is expected to boost bilateral trade, improve market access, attract investment, and strengthen cooperation in goods, services and supply chains. It also marks a major step in expanding India's trade partnerships and export competitiveness.
